

Word of Faith

“Bridging the Gap Between the Church and Community”

Greetings!

We hope this letter finds you well. Because you’re an important part of our community, we want to let you know about our upcoming “Kingdom Call Project”.

As you may or may not know, our congregation is growing and just like any family, the more members you have, the more room you need. We’re pleased to invite you to be an important part of this exciting project. Word of Faith is soliciting your support for a brand-new sanctuary and church campus. How blessed are we to have so many members that we need to build an entirely new structure. Our church campus will not only consist of a sanctuary, but also a youth center with after-school programming, and a community outreach center that will focus on mental health wellness, community events and overall faith care.

With that being said, we are currently accepting donations, different levels of sponsorships and underwriting opportunities such as (youth church supplies, audio visual equipment, music equipment, flooring/stage materials and signage) that will make this exciting new project possible. Your donation, no matter the size, will be greatly appreciated and put to good use, so we invite you to be a part of this new chapter in our church’s history and help us create a space where we can come to worship, learn, serve our community and grow together.

If you would like to contribute, please see the attached “Kingdom Call” sponsorship levels for more detailed information. You may also view the ways to give on this form as well. When giving, you will also be recognized at our “**Kingdom Ball**” and more information to follow.

Feel free to reach out to Pastor Jonathan Brown via email at wof_jbrown@yahoo.com if you have any questions about our fundraising initiatives or the new sanctuary.

As always, have a blessed week. We hope to see or hear from you soon!

In Him,

Pastors Jonathan & Tricka Brown
